

### **Buy a new subscription with an expired user:**

If you already have a user for Fiddle Academy, but no active subscription, you can easily buy a new subscription and keep your old user information. If you'd prefer, you can also make a new user, but the system might demand that you use another email address than last time.

### **How to do it:**

1. Log in to your user at Fiddle Academy.
2. Scroll all the way down, to the black square at the bottom. In the left column, you'll see the words: Plans list. (See image 1)
3. Click on "Plans list". That will take you to a list of plans you can choose from.
4. Choose the subscription plan you want, pay, and you are now good to go!

**If something doesn't seem to be working**, just let me know and I'll help you. :-)

**Thank you for your support, and Welcome to Fiddle Academy!**
