

### **Upgrade your user to a longer subscription:**

If you already have a subscription at Fiddle Academy, but want to upgrade to one of the longer ones to get the lower monthly cost, that is no problem.

You will be charged only the difference in cost between the longer subscription and what you have already paid for, but not yet used, on your shorter subscription.

### **How to do it:**

1. Log in to your user at Fiddle Academy.
2. Scroll all the way down, to the black square at the bottom. In the left column, you'll see the words: Upgrade membership. (See image 1)
3. Click on "Upgrade membership". That will take you to a list of plans you can choose.
4. If there is no list of choices, simply go back to the black square and instead click on "Plans list" (See image 1)
5. Choose the subscription plan you want, pay, and you are now upgraded to the new choice of subscription.

**If something doesn't seem to be working, just let me know and I'll help you. :-)**

**Thank you for your support, and Welcome to Fiddle Academy!**
